James: Sure, Kanako. What would you like to know?

Kanako: I'm planning to go for two weeks, and I was wondering where you recommend I go.

James: Well, that depends on what you want to do. But I think you should spend most of your time in London—one week, perhaps—because there are so many great things to do there. You like tennis, don't you?

Kanako: I sure do.

James: Well, you could go to Wimbledon and watch the tennis tournament there. It's quite easy to get tickets.

Kanako: That would be wonderful!

James: Oh, and I know you're a big music fan, too. Well, there's an area called Camden in northwest London that is famous for live music. I'm sure you'd love it there.

Kanako: Great! So, if I spend one week in London, where should I go for the other week?

James: I think you should visit some of our beautiful national parks. The countryside in the UK is beautiful. One place I especially recommend is the Peak District. It has amazing scenery and a beautiful old stately home.

Kanako: Excuse me, but what is a "stately home"?

James: It's a large historical house and park where rich and important people once lived.

英語習得時間について

「日本人は、中学、高校と6年間も勉強しているのになぜ英語ができないのか」と言われて久しいですが、果たして「6年間も」という表現は適切でしょうか。というのも英語習得には約3000時間が必要と言われていますが、日本人の英語学習時間は塾などを除くと中学、高校で1000時間超に過ぎないからです（最近では小学校から英語に触れる機会が増えました）。仮に一日5時間の英語学習を毎日続けたとしましょう。この1000時間は200日、英語習得に必要な3000時間は600日（2年かかりません）しかありません。つまり、6年間における日本人の英語学習時間は圧倒的に足りないのです。もちろん、日本人の英語力不足の要因は、これまでの英語教育が文法中心であり、インプットに比べてアウトプットが極端に不足しているという側面も大きいのですが、英語力をしっかり身につけるには、普段からもっと英語に触れる機会を増やす必要があるということです。

II. Listening Practice

James: Hi, Kanako. What are you up to?

Kanako: I'm looking for accommodation for my trip to London next month.

James: I see. What websites are you using?

Kanako: This one's called hotellondon.com. I enter my dates and the area I want to stay in, and it gives me a list of hotels and their prices.

James: Right. So, have you found anywhere that you like?

Kanako: Well, not really. They are all either too expensive or too far away. There are some hotels still available near the city center, but they get terrible reviews.

James: Reviews?

Kanako: Yes. The website shows reviews from guests who have used the hotel in the past. This one here—the Thames River Hotel—gets only one out of five stars because the guest says it's dirty and the air conditioning doesn't work.

James: Oh dear! That doesn't sound at all nice. Have you tried roomrental.com?

Kanako: No, I haven't. What's that?

James: It's a website that helps you find rooms to rent for a short stay. I hear that the rooms are reasonable.

(C) Because it is quite reasonable.
(D) Because it is no longer available.
4. What is the good point about the roomrental.com website that is mentioned?
(A) It has fair-price accommodation.

英語での講義について

英語圏の大学だけでなく、EU や東南アジアの大学における多くの講義は、英語で行われていることを知っていますか？ 現在、世界では、高等教育は英語で受けるというのがグローバルスタンダードになりつつあります。日本でも近年、全講義を英語で行う大学・学部が増えてきましたが、決して多いとは言えません。いまだ希少な存在です。その理由は、日本で英語で講義を行うことができる教授が少ないことと講義を受ける学生の英語力不足にあると言っても過言ではありません（英語で講義を受けるには、最低でも TOEFL 80 が必要）。母語である日本語で大学の講義を受け、知識・教養を身につけることができることは、確かに大きなアドバンテージです。しかし、現在、最先端研究の多くは英語で行われ、英語で発表され、様々な国の人たちによって英語で議論されています。これらの研究を日本語に訳し、訳された日本語を英語に訳しては、世界の潮流から遅れてしまいます。
