Unit 1 A Penguin Story

✿ Reading 1 ✿

Susie was at the beach with her children. It was a nice summer's day and there were a lot of people there enjoying the sunshine. Her children were playing football and she was reading a magazine. Suddenly, the children began to shout, they were very excited. Then all of the people at the beach started to laugh. She was surprised to see a man walking along the beach with about twenty penguins. Everybody stopped and stared at them. The penguins went into the sea. Soon they were having a great time, swimming and catching fish. They were very amusing. The man didn't swim. He stood on the beach watching them. Susie was very curious, and she wondered where the penguins lived. So she asked him if he worked for a circus. 10

"No," he said. "I am looking after them for my friend, Jack."

"Does Jack work for a circus?" Susie asked.

"No," he replied. "He is a truck driver. He was bringing the penguins to the zoo. His truck broke down. So he called me and asked me to come and take them to the zoo in my truck." 15

"So why did you bring the penguins to the beach?"

"Because we had such a good time at the zoo, I decided to bring them to the beach!"
